

(She Rises... Salon)
Poets Lead the Goddess Feminist Activist Spirituality Movement

Mago Academy is happy to announce the April She Rises Salon to feature our poets who lead the Goddess Feminist Activist Spirituality Movement. As poets, we summon the timespace of transformation for ALL in the Cosmic Mother. We ponder these questions: “Who am I?” “What message do I have for myself and the world?” and “What can we do TOGETHER?” Our speakers include Mary Saracino, Stephanie Mines, Judy Grahn, Louisa Calio, Annie Finch, Helen Hye-Sook Hwang, Janet Rudolph, Noris Binet, and Susan Hawthorne. We invite you to discover the Reality of WE/HERE/NOW, as we sing the dangerously contagious song of resistance, maternal medicinal cure, eco-feminist vision, rite of Isis, poetic meter, matriarchal archetypes, self-healing, dharma evocation, and re-envisioning the mythic.

Date and Time: April 12 2025, Noon to 1:30 PM PT (for 90 min)

Speakers: Mary Saracino, Stephanie Mines, Judy Grahn, Louisa Calio, Annie Finch, Helen Hye-Sook Hwang, Janet Rudolph, Noris Binet, and Susan Hawthorne
